TS₂XL Characteristics

- In stainless steel, bestseller among our manual tray sealers
- Suitable for small gastronomies, caterings, ready meals suppliers
- Easy to use
- Quick mould changing
- Minimal maintenance

Sealing

- It allows to perfectly seal any kind of food, either warm or cold
- 100% hermetic sealing
- Greatest resistance: the sealing film can resist to stress and to any possible impact during transport
- Design: the perfect transparency allows to value what's in the tray
